HOW TO ADD A CANDIDATE PERSONAL POLITICAL CONTRIBUTION

CANDIDATE SERVICES TIP(S):

- ✓ Contributions made by a candidate using his/her personal funds to a non-candidate political committee supporting or opposing candidates in New York City that total more than \$400 are considered campaign-related, must be reported to the CFB, count against the candidate’s contribution limit to his/her own campaign and against the committee’s spending limit, and may cause deductions to eligible public funds payments. See Chapter 3 of the [Handbook](#) for more information.
- ✓ Do not use this module to report [monetary](#) or [in-kind](#) contributions from the candidate to his/her own campaign. Those should be entered like all other contributions.

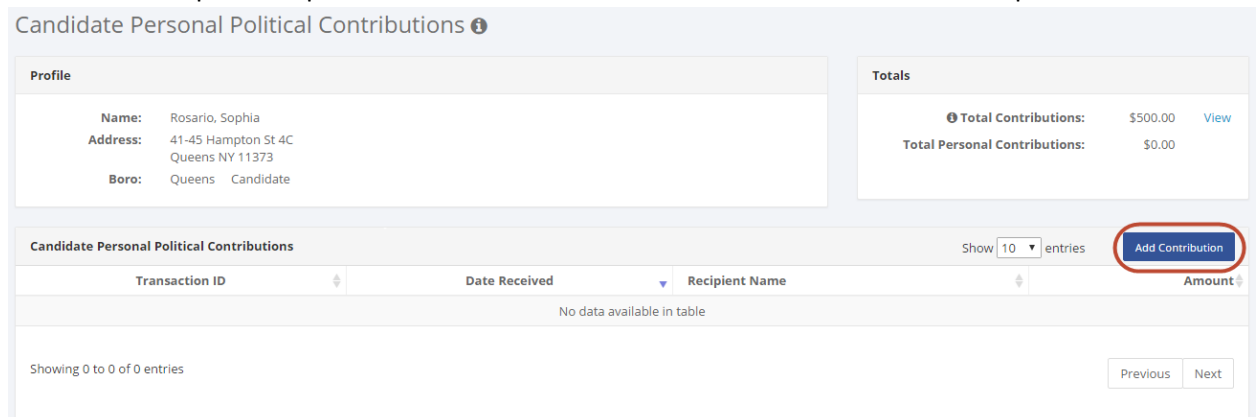

1. Go to Candidate Personal Political Contributions.

Click **Transactions** and then **Candidate Personal Political Contributions**.

2. Click Add Contribution.

You are now on the **Candidate Personal Political Contributions** screen. This page includes a Totals box with the aggregate amount of candidate personal political contributions and a list of each candidate personal political contribution. Click the **Add Contribution** button to proceed.
