

## **25th City Council District**

**Daniel Dromm** (D, WF)

Hello, my name is Daniel Dromm and I am running for re-election as your City Council Member representing Jackson Heights, Elmhurst and East Elmhurst. It has been an honor and a privilege to serve you in the New York City Council. In my first 4 years, we have been able to expand open space, promote economic development, add hundreds of public school seats throughout the community, speak out as a progressive voice on civil rights, and be a staunch advocate for our immigrant population. With innovative cultural programs like "Eat Elmhurst" and "June in Jackson Heights", we have encouraged people from all across the globe to support our local businesses, promoted civic pride, and introduced our communities to a wider audience. Our neighborhoods — Jackson Heights, Elmhurst and East Elmhurst — have many different and urgent needs. My top priorities in a second term are to improve public education with a focus on reducing class size, to continue to expand and enhance open space, improve access to affordable primary health care, protecting worker's rights, and making sure that our seniors have the necessary services and support that they need in retirement. My record demonstrates that I will be an energetic advocate for our community. I know we have a lot more work to do. I hope you will give me another 4 years to bring about more progress and improvement to our community.
