

12th City Council District

Adeyemi LaCrown Oloruntoba (Toba) (D)

My name is Oloruntoba (TOBA) Adeyemi LaCrown and I am a Democratic Candidate for City Council in Bronx District 12. My desire and determination to run for this office is to serve the common people of my district and NOT special interests or the interest of others who do not know how it feels to live in the District. I have served in varying capacities, on Community Board 12 as the Chairperson of Parks and Recreation; as a Neighborhood Advisory Board member; as a member of Clergy/Pastors in 47th Precinct as a Minister of the Gospel to offer spiritual need. As a Community Organizer to reach out to every resident and let their voices be heard. rhetoric and futile promises. It is time to advice our leaders to "Stop talkin, and Start Doing" so that our District can move forward. It is no doubt that district 12 needs to be restored, especially with our revenue contribution to the growth of this city but disproportionate give back to our community. As USAF Wartime Veteran through Operation Enduring Freedom of Afghanistan and Iraq Freedom of Iraq, there is no doubt that representing district 12 in city hall would be an easy task to handle. As a former NYPD cop in the streets of South Bronx and time in the Criminal Justice Bureau in Manhattan, ensuring safer streets from Williamsbridge, Wakefield and Coop City, where our youths could fully be engaged and the seniors would be saved will be the order of the day when I am elected. The residents of District 12 should be rest assured that the answer needed for this district to move forward is CHANGE that is plausible, change that is palpable and change that is practicable, the REAL CHANGE. As I take the oath of office, with GOD being my guide and strength, I will be committed to the following: Restoring Hope for Our Children and Empowering the youth; Promoting Job Growth and Solving Unemployment Problems; Giving Hope to Our Veterans and the Servicemen & Women; Improving Community Development; Working and Preserving Senior's benefits; Ensuring Public Safety thru my professional expertise; Advocating for low Cost Housing, and Fighting for Quality Education that could make our students compete with their contemporaries globally.
