

16th City Council District

Daryl L. Johnson (D)

My name is Daryl JOHNSON, I am running for office to be your next representative on the City Council. Our district, this community, has many urgent challenges. Now, I know you've been hearing that for a very long time and I know like me, you too are dissatisfied. I want to turn that same dissatisfaction — into tangible and meaningful solutions for this community. And I mean it. I know, and you know, we are more than the bad things you hear on the news about the Bronx. I know, and you know that with the values honesty, leadership and true responsibility — all things are possible. I have the experience the drive and the willingness to take ownership of the needs of this community: Housing, Gun Violence, Education, Public Safety, Job and Special Needs populations and see to it — that our wants — which are the same as in any other part of the city are represented in a professional and responsive manner. I am asking for your vote and by extension, your trust... I don't take that lightly — to lead our community and all it's citizens in a forward direction and not backwards again. I'm Daryl JOHNSON and I will not let you down. Thank you.
