

40th City Council District

Mathieu Eugene (D)

I am Councilmember Mathieu Eugene. It has truly been a tremendous honor to serve my constituents for the last six years, and I look forward to representing you for four more years.

For nearly two decades, I ran a not-for-profit dedicated to providing educational recreational resources for underprivileged children, positively touching the lives of thousands of youths and their families.

For nine years, I was a member of Community Board 14 and was always involved with issues that had a great impact on improving the quality of life for our families, our children and our senior population.

My many years of public service prior to being elected to the City Council provided me with the experience that I needed to deliver for all my constituents.

I've secured millions of dollars to provide our children with the resources that they need to succeed in school and have fought against proposed layoffs of school teachers.

I've also delivered millions of dollars to our local hospitals to ensure that they continue to provide excellent and affordable medical service to our community.

I am aware of how critical it is to secure more affordable housing, and I've been working very hard and successfully to find and promote such opportunities for my constituents.

I have also been working tirelessly to bring funding in to my district for economic development opportunities that are bringing good-paying jobs.

I fight everyday to ensure that our hard-working immigrant population has the government services necessary to find success, and that their rights are fully protected.

I have clearly demonstrated the ability to deliver for my constituents and I look forward to doing even more over the next four years.

I ask you to come out and vote to re-elect me, Mathieu Eugene, to the City Council on Election Day. Thank you so much.
